

Small vacuum generator

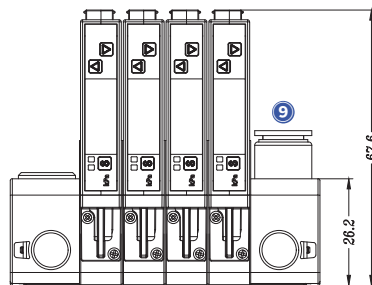

VB/VBP series

Product illustration and dimension drawing (Unit: mm)

■ Vacuum generator VB series

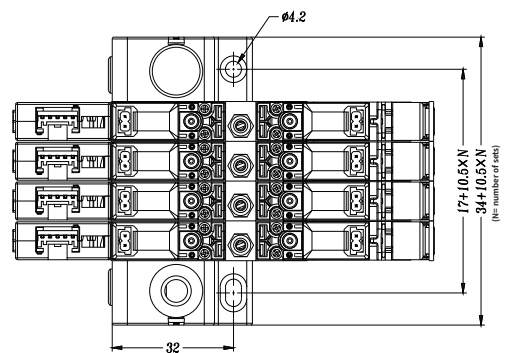

(Multiple front view)

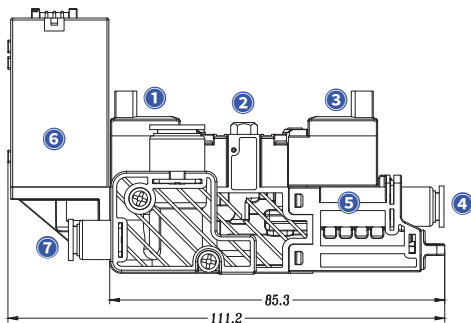

(Multi-panel side view)

- ① Solenoid valve for vacuum supply
- ② Vacuum destruction flow control valve
- ③ Solenoid valve for vacuum destruction
- ④ Vacuum interface (V)
- ⑤ Filter
- ⑥ Silencing and exhaust (EX)
- ⑦ Thin digital vacuum pressure switch
- ⑧ Additional port - Vacuum break
- ⑨ Air inlet interface (P)

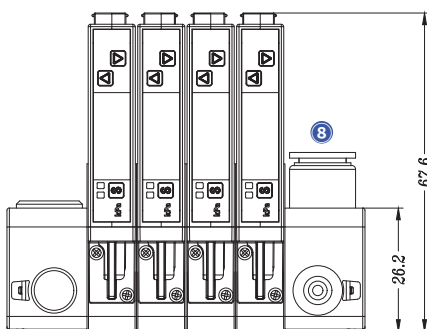

(Top view of multiple sections)

■ Vacuum pump unit VBP series

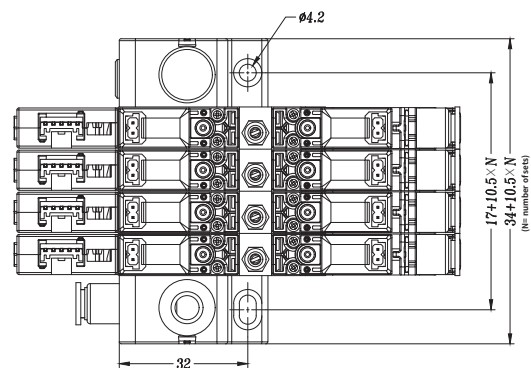

(Multiple front view)

(Multi-panel side view)

- ① Solenoid valve for vacuum supply
- ② Vacuum destruction flow control valve
- ③ Solenoid valve for vacuum destruction
- ④ Vacuum interface (V)
- ⑤ Filter
- ⑥ Thin digital vacuum pressure switch
- ⑦ Positive pressure supply interface (PS)
- ⑧ Negative Pressure supply interface (PV)

(Top view of multiple sections)
